

In recognition that **safe driving is serious business**

---

I PLEDGE TO **DRIVE FOCUSED**

I will not text while driving.

I will let calls go to voicemail when I am driving and will safely pull over to retrieve messages and make calls.

I will quickly end any calls I've initiated if I determine the person I have reached is driving.

## I PLEDGE TO:

- Refrain from contacting my employees via cell phone or text during times that I know to be their drive-time.
- Not expect immediate responses to calls or texts in recognition that my employees may be driving when I am attempting to reach them.
- Work with my employees to put together a plan for acceptable response times and back up contacts in the event they are driving when I need to reach them.
