

The UC Master Gardeners of Santa Barbara County present:
FREE MONTHLY ZOOM GARDEN TALK

UC Master Gardeners Janet Rogers, Sue Solomon and Ken Falstrom will share a research-based presentation, ***Growing Berries***.

They will discuss techniques, challenges, and success strategies for growing strawberries, boysenberries, blackberries, and blueberries in Southern California gardens.

Berries grown at home are a treat for breakfast, a snack, or any time of the day.

UPCOMING EVENTS

Santa Barbara Master Gardeners present monthly Garden Talks on Zoom and Garden Workshops at Mesa Harmony Garden. Additional presentations and more information on our website.
