

**Attention Middle and High  
School students – parents and  
teachers too!**

**Seeking something new?  
Places & things to explore in nature?**

**Look no further!**

Our no-cost, low-stress webinars explore issues in urban forestry, guided by knowledgeable professionals who work in green careers. Learn how their jobs help preserve and restore the environment and expand your understanding through independent, outdoor experiences.

No materials needed – just register here and watch your email for the link to join:
