

SPECIALTY CROPS PRODUCTION WORKSHOP: & Risk Management Tools for Producers

The University of California Cooperative Extension, in collaboration with the USDA Risk Management Agency, RightRisk, and the San Diego County Farm Bureau invite you to join us for a workshop on Specialty Crop Production and Risk Management Tools for producers in Southern California. The workshop will explore the challenges and opportunities selecting and growing specialty crops and improve your ability to manage the associated risks to help you and your farm thrive in today's challenging environment.

Tuesday, June 16th 2015
7:00 a.m. - 5:00 p.m.

San Diego County Farm Bureau
1670 East Valley Parkway | Escondido, CA 92127

~ Spanish Translation Available on Request ~

How much risk is right for you?
