

Compost addition on foothill rangeland

Wednesday, Nov 14th, 2018

The UC SIERRA FOOTHILL RESEARCH & EXTENSION CENTER

8279 Scott Forbes Rd. Browns Valley, CA 95918

For more information call SFREC at
(530) 639-8800 or email Jeremy James at jjjames@ucanr.edu

- Demonstrate application of green waste and food waste compost
- Examine impacts of compost addition on forage production and quality
- Discuss how compost addition can improve rangeland soil properties
- Explore sourcing and applying compost at an operational scale
- Review cost/benefits and incentives

The 2017 Healthy Soils Demonstration Project is funded by Greenhouse Gas Reduction Funds and is part of California Climate Investments, a statewide program that puts billions of Cap-and-Trade dollars to work reducing GHG emissions, strengthening the economy, and improving public health and the environment."
