

Doing More with Less

Making the Most of Low-water Restrictions

Hear about recent successful field studies in irrigation reductions from around the state, including San Joaquin County.

Learn how to make the most of *your* landscapes with less water.

- TOPICS**
- ▶ Field study results and lessons learned
 - ▶ Strategies for lowering your water need
 - ▶ Use the Water Use Classification of Landscape Species (WUCOLS) database for hydrozoning
 - ▶ Evaluate irrigation systems for application rate & distribution uniformity, and set effective run times for drip & sprays

WHEN Friday, Dec. 2, 2017
8:00 am - 12:00 pm

WHERE Robert J. Cabral Agricultural Center
2101 E. Earhart Ave., Stockton

COST ***FREE- But you still need to register!*** A certificate of attendance will be provided for IA and PLANET CEs. DPR CEs available.

REGISTER *Online only:* <http://ucanr.edu/workshop2016>
