It is the policy of the University of California (UC) and the UC Division of Agriculture & Natural Resources not to engage in discrimination against or harassment of any person in any of its programs or activities (Complete nondiscrimination policy statement can be found at <http://ucanr.edu/sites/anrstaff/files/215244.pdf>) Inquiries regarding ANR’s nondiscrimination policies may be directed to John I. Sims, Affirmative Action Compliance Officer/Title IX Officer, University of California, Agriculture and Natural Resources, 2801 Second Street, Davis, CA 95618, (530) 750- 1397.

Introduction

Definition of a 4-H Primary Member

Primary members are youth between the ages of 5 and 8, enrolled in the 4-H program. Primary members must be 5 years old by December 31st of the program year and not older than 8 years old by December 31st of the program year. Youth who turn 9 on or after January 1st must participate as a primary member until June 30th of the program year.

Primary aged youth are impressionable and respond well to exciting and creative activities. This is a critical stage in the development of the young child and an excellent time to enhance a child's learning experiences in self-perception.

Researchers estimate that children experience 50% of their learning before 4 years of age, another 30% before the age of 8. Therefore, it is important to offer non-formal, exploratory programs that focus on the developmental needs of younger children.

Purpose of the 4-H Primary Member Program

The purpose of the 4-H Primary Member Program is to assist youth in becoming capable, competent, caring and contributing citizens. Keep in mind that:

- Adult volunteers should provide open-ended activities that promote skills practice.
- Activities should focus on the process of doing things rather than the finished product.
- Activities should make use of participants' experience and encourage exploration, rather than written or verbal lessons.
- Participation for primary members should be limited to cooperative learning activities with no competition.

The California 4-H Youth Development Program (YDP) has specific policies for all of its programs, events and activities. Some policies are specifically related to primary aged members and activities while others govern all roles and responsibilities within the 4-H YDP. Before you begin the California 4-H *iSprout* project, be sure that you are familiar with and follow all of the California 4-H Youth Development Program policies, found at:

<http://4h.ucanr.edu/Administration/Policies/>. The UCCE 4-H Office staff in your county can help you with specific questions that you may have about policy implementation.

Primary Member Report Form

Name: _____ Program Year: _____

4-H Club or Unit: _____

County: _____

Years in 4-H: _____

Age: _____

Address: _____

City: _____ State: _____

Zip: _____

Phone: _(____)_____-_____

This is a picture of me:

Club Meetings Attended This Year <i>Do not include project meetings.</i>	Meetings Held	Meetings Attended	Hours Attended

✓ I made this report and I think it is correct.	
Member's Signature: _____	Date: _____
I have personally reviewed this report and believe it to be correct.	
Parent/Guardian Signature: _____	Date: _____
4-H Adult Partner's Signature: _____	Date: _____
