UPDATED

1. There will be two (2) appointed adult volunteers present with members during all 4-H activities. "Appointed adult volunteer" means an individual that has completed the 4-H Adult Volunteer Appointment or Re-Appointment process. There may be occasions when having two (2) appointed adult volunteers present is not possible due to emergencies, an illness or other unforeseeable circumstances; in these situations, there should be one (1) appointed adult volunteer and another adult participant or 4-H YDP staff member, one of which must be at least 21 years of age. No one-on-one interactions should occur in private. This includes between members and adults or among youth. If personal discussions are necessary, they should be conducted in an area that is in view of other volunteers and members.
2. Primary members, those 5 to 8, by Dec. 31st, are in **separate project groups from regular members**, 9 years old and older, by December 31st. Members who have **NOT** completed enrollment in 4-H Online 2.0 and/or have not submitted program fees, **MAY NOT** attend 4-H project meetings or club meetings, events or activities.
3. Leaders are responsible for the safety of members during meetings and activities. Leaders must incorporate safety awareness in project meetings and demonstrate safe practices when showing members how to carry out their project work. The 4-H Safety Manual and 4-H Clover Safe Notes have been developed to assist adult volunteers in ensuring that safety information is included in project meetings as well as events and activities.
4. **Meeting Space & participation in activities & events outside of the 4-H YDP.** Volunteers **MAY NOT** sign contracts (or complete/submit paper or online applications/agreements/entry forms, etc.), of any kind on behalf of UC (or their volunteer program, council or club) nor otherwise obligate the Regents of the University of California in any way. ALL agreements/contracts/applications must be executed by the Capitol Corridor Director. The Volunteer obtains ALL materials & forms relevant to the activity and submits them to 4-H YDP staff for review, completion and processing. **Please allow AT LEAST 1 month for completion. Some agreements take longer to process. Please plan so that your project is not adversely affected. Please complete the Facility Use Agreement Request at: <https://ucanr.edu/survey/survey.cfm?surveynumber=24618>**
5. The 4-H junior and teen leadership experience is designed to provide members with the opportunity to learn about the qualities and competencies needed to be a leader. Junior leaders provide assistance, while teen leaders assume more challenging leadership roles. At the beginning of the year, the 4-H member and the adult leaders must meet to plan the project and define each of their roles. To receive credit, the 4-H member must complete the Leadership Development Report (LDR) form. The LDR has 2 parts. Each part has a pre and post component. See 4-H Record Books for more details.
6. Leaders should have at least one project meeting with their project members and their parent/guardian by **October 31st**. (Unless your leader status is **incomplete** or **pending** in 4-H Online 2.0). Inform the group of what is expected and the **specific date** that the project will start. **All project requirements must be in writing and reviewed at the first project meeting with project members and their parent/guardian. Date, location & timeframe for all project meetings, field trips & activities must be provided at the first meeting.** Project leaders can set the number of hours of project instruction necessary to meet the project goals. **Project leaders MAY NOT set other requirements, such as giving a presentation, participation at a county event, etc.**
