		<u>Cannabis Research</u>	<u>Pursuits in Collaboration and Integration Across UC ANR for Deeper Impact</u>	<u>Off the Page and Into Action! Creating Dynamic Learning Experiences for Adults</u>

6:00 PM

Staff Assembly Networking Reception

One of the biggest challenges ANR personnel face in networking across the organization, is distance. The ANR Staff Assembly is taking the opportunity of the Statewide Conference, and the attendance from staff all over the state, to host a networking reception on Wednesday, April 11th at 6 PM. This will be a fantastic opportunity to connect with you colleagues from across the state about shared challenges and concerns, and opportunities and solutions. The Staff Assembly is planning a fun evening of activities, food and beverages. It will be an excellent event, and we encourage all staff to attend.

Thursday, April 12

Concurrent Session 7

6:30 AM Breakfast

8-10 AM	<u>Meetings of Program Teams, Workgroups and others</u>	7D. Research Topics <i>Arrowhead</i>	7E. Community Impact <i>Silverwood</i>	7F. Skill Building <i>Gregory</i>

1-1:15 PM **Closing Comments**
Glenda Humiston, Vice President

1:30-3:30 PM **Academic Peer Cohort Meeting - Silverwood**
Wendy Powers, Associate Vice President
John Fox, Human Resources Director

This afternoon meeting presents an opportunity for newer academics to meet each other, network, and set a course for interacting in the future. Agenda topics will include: making sense of needs assessment findings and developing a program evaluation plan. Participants are asked to come prepared to share their experiences, successes and challenges. More details about the topics and networking event will be shared through the New Academic Peer Cohort Collaborative Tools group.

Making ANR a Great Place to Work - Staff Assembly - Grove

Join Staff Assembly for an interactive opportunity to discuss ideas on how to implement changes to help make ANR a great place to work. We will be focusing on the results identified in the 2017 CUCSA Staff Engagement survey as needing the most improvement, which include change management, performance management and wellness. It will be an opportunity to provide your ideas, which will be used to help implement changes now. We'll also provide information about Staff Assembly and ways you can get involved.

For more information on the survey results, please visit:

http://staffassembly.ucanr.edu/Council_of_University_of_California_Staff_Assemblies/2017_UC_Staff_Engagement_Survey
