

UCD Superfund Research Program presents:

Science Communication Workshop with **JANET RALOFF**

Learn how to effectively communicate your research.

Monday, November 19, 2012

1:00 – 4:00 pm

1010 Valley Hall

Registration is required. Registration can be found on the Events page of the UC Davis Superfund Program Facebook page.

(need help? contact Candace crspier@ucdavis.edu)

Please bring a short writing piece explaining either your research interests or some science that interests you. These materials will be used during the workshop portion.

Senior Editor **Janet Raloff** has been reporting at Science News for more than three decades on the environment, energy, science policy, agriculture and nutrition. Her writing has won awards from the National Association of Science Writers, International Free Press Association, and the Institute of Food Technologies.
