Modoc Archers hit their target!

Members of the Modoc County 4-H Archery Club competed in the State Match this Summer. Hayden Frederick got 2 bullseyes and Brett Waterman got 1 bullseye in the tournament. There were 864 entries In the state tournament and although the Modoc boys didn't medal they were very close! Intermediate Competitors were Hayden Fredrick, Christian Givan, Cody Sphar and Brett Waterman. The only Junior Competitor was Sam Hadwick. Archery will be offered county wide this year. John Wellemeyer and Brian Gallaher will be the project leaders. Sign up if your interested in slinging some arrows!

Club News

New Pioneer

The New Pioneer 4-H group had a great turn out at our booth at the Modoc County Children's Fair. We had a booth set up with a petting zoo and 4-H project information. We had a baby goat, a grown goat, a rabbit, a lamb, and two mini horses. We had 4-H items and brochures as give outs to people who are interested in 4-H. Children really liked all the animals. We would like to thank the people who helped set up the booth and who loaned out their animals for our booth. We had a good turnout.

-New Pioneer 4-H Reporter, Jacob Worch

Modoc Boys at Nationals

CALIFORNIA takes on NATIONALS!

At Left: Back Row: Grady Ingraham, Shotgun-Modoc County 4-H, Ken Smith, Shotgun Coach-Modoc County 4-H, Paden Smith, Shotgun– Modoc County 4-H. Middle Row: Clayton Holmes, Shotgun-Amador County. Warren Farnam, Rifle Coach-Modoc County. Front Row: Mavrick Farnam, Rifle-Modoc County

The California 4-H sent their first ever Shooting Sports Team to compete at the National Championship in Grand Island, Nebraska in June. Modoc boasted three of the four members and the two coaches. Grady Ingraham and Paden Smith both of the Davis Creek 4-H Club were on the shotgun team and Mavrick Farnam of the New Pioneer 4-H Club shot rifle. The boys represented California great and did awesome for their first competition at this level.

There are over 600,000 4-H members in Shooting Sports in the nation. Only 612 were honored with the opportunity to compete at the National Championship this year. “California 4-H has never sent an official team to the competition. It was a great honor to have so many members from the team in our little county. All of the boys are great representatives of the 4-H organization and they did amazingly well in such a competitive

The shotgun team placed 19th overall in the nation in sporting clays, skeet and trap. Clayton Holmes of Amador County placed 21st overall. Paden Smith placed 45th overall and Grady Ingraham was 69th. The boys were one of almost 250 competitors in shotgun. They placed in the top 20% for almost the entire competition.

Mavrick Farnam shot rifle for the California team. He placed 21st in the Nation overall for small bore rifle. Because he was the only rifle member, CA was not eligible for the team competition in rifle. Mavrick placed in the top 25% of the group of almost 80 shooters during the National Championship!

The competition was fierce for both disciplines. The Shotgun team that won overall only missed 8 clays out of 900 the entire competition. The team learned a lot and are proud to have represented California 4-H in their first trip to the Championships! A big thank you to the Shotgun Coach, Ken Smith of Davis Creek and Rifle Coach, Warren Farnam of Alturas for all of their dedication and hard work to the 4-H Shooting Sports Program.

The team would like to thank all of their sponsors and people who have supported them along the way. Huge thanks to their Gold Sponsors, the Milano Foundation, Rocky Mountain Elk Foundation , Vestra Resources, Inc., Modoc County Fish, Game & Recreation Commission, Desert Rose Casino, Sacramento Valley Shooting Center, US Sportsman’s Alliance and Alturas Rifle & Pistol Club. Without them and many, many others this would not have been possible. Thank you for your continued support for the 4-H Shooting Sports program.

State 4-H Leadership Conference

Modoc County 4-H attended the State Leadership Conference in Irvine, CA for the first time in years. This conference is open to HI 4-H and All-Star members or members who will serve as a delegate for our county. Five ELITE members represented Modoc in at UC Irvine in Irvine, CA for almost a week last month.

Modoc County All-Star, Gonzalo Ramirez of Winema 4-H attended, as well as HI 4-H members, Kristy Sphar of New Pioneer, Haley Dancer of Davis Creek, Brady Deaton of New Pioneer and Seth Gibson of Providence.

The theme was "Bring your Fairytale to Life". To kick off the conference, Modoc attended a Day at Disneyland and California Adventure. The teens and families loved getting some extra time to just hang out and have fun.

Friday was check-in and games to get to know each-other. Over 300 4-H senior members attended the event. Grant Baldwin was the guest speaker Friday night and he gave a moving speech. He focuses on giving teens a reality check and with his quick wit and humor, he was enjoyed by all. After the speaker, there was a huge ice cream sundae bar and trading goods time. Each county provides something for the kids to "trade" with other kids in an effort to get them to mingle. Modoc sent packs of gum with leadership quotes on them. They were a huge hit and seemed to be the "golden trade good" of the conference.

Saturday was filled with workshops and sessions. Heather Hadwick presented a workshop, Take it to the Limit! The attendees were able to get some ice breakers, club goal worksheets and other activities to use for officer trainings or planning committees. The ELITE members could choose from over 20 sessions in each workshop time. From film making, learning to DJ, robotics, leadership building to how to play Quidditch. The day was filled with fun and learning and then commenced with a BEACH party where food trucks met the group at the beach for dinner, the members could swim in the ocean, play beach volleyball and dance.

Sunday was wrap up day, spent listening to guest speakers and presentations from the state ambassadors. The kids had a great time and can't wait to go again next year! SLC is in Humboldt next year, so get ready!!!

A huge thank you to the Milano Family for their generous donation to get us to this conference! It was a GREAT experience and all of the attendees are so thankful to have gotten the opportunity to attend.

State 4-H Field Day

The Modoc County 4-H sent a group to the State 4-H Field Day on May 30th at UC Davis in Davis, CA. The group came home with 4 Golds and 3 Blues. Participants competed in the State Presentation Day, Fashion Revue, Photography Competition and were able to do many activities provided by the California 4-H Office.

Victoria Ramirez of Winema 4-H won a Gold for her demonstration on Musicality. Sara McCoy of Providence 4-H received a Gold for her Interpretive Reading of The Raven. Surprise Valley 4-H sent Brett McGiffin doing a presentation on Pig Bones and Hallie Seely who demonstrated "The Woolen the Better" about different sheep and wool types, both earned a Blue. Sam Hadwick of Davis Creek 4-H Club won a Blue in his Interpretive Reading of Sparkling Snow. Sara McCoy earned a Blue in the Fashion Revue for her gypsy costume. Grace Murray of New Pioneer 4-H Club earned a Gold for her sewing creation in the Fashion Revue and Jacob Worch also of New Pioneer earned a Gold for his photograph of a flower.

The best part of the day was when the members turned in their 501 pillowcases to the State 4-H Pillowcase Challenge booth. Modoc County members and community members helped sew 501 pillowcases to donate to local children's hospitals. Modoc County 4-H brought the most pillowcases of any county and beat the states goal of 500! Thank you to all of the people who dropped off pillowcases, donated material and were able to sew for this great cause.

$27,500 in Scholarships Awarded

Milano Family

Six Modoc & Siskiyou County Seniors will receive Milano Family Scholarships totaling $27,500. “I am pleased to announce scholarship awards to Katelynn Jackson, Mariah Baldwin, Anna Colbert, Anna Estill, Grady Ingraham and Amanda Richno” said Heather Hadwick, Modoc County 4-H Coordinator. She added: “Each of our 2015 recipients are decorated 4-H members as well as involved in a number of other extracurricular activities. Each winner has actively demonstrated the life skills they have learned in 4-H throughout their daily lives. The competition was tough this year. We have members that have truly excelled not only in 4-H but in their education, sports, leadership and community.”

Grady Ingraham is the son of Brian and Bekki Ingraham of Davis Creek, CA. He is a member of the Davis Creek 4-H Club. This year he served at Vice-President of the Junior Livestock Show, completed his Emerald Star Project and is a member of the first ever California 4-H State Shooting Sports Team. Grady just graduated from Modoc High School where he was an officer in FFA, played Baseball and competed with Modoc Motorsports Association. Amanda is receiving a $2,500.00 Milano Family scholarship for her education at Shasta College in Redding, CA where she will be studying to be a Science Teacher.

“This scholarship would not be possible without the overwhelming generosity of the Milano Family. They have a love for education, community and the 4-H program. The applicants each year are making it harder and harder as these counties are producing amazing young people that are going to do great things in life. Their years in 4-H will serve them well as they journey into adulthood.” Added Heather Hadwick.

Looking to Next Year

New COUNTY WIDE projects offered for 2015-2016

The Modoc County 4-H office will be offering some county wide projects next year by partnering with several organizations. Please list any interested on your enrollment form!

GIS and GPS - Members will learn the government mapping system GIS and learn how to read and comprehend GPS coordinates, units and coordinates. By having these two valuable skills, students would have a leg up on their resume over candidates applying for several agency jobs in multiple positions, including possible summer internships in Alturas. This project would be for 7th grade students and up.

Geocaching– Members will go on geocaching adventures, hunting treasures by GPS. The group will learn the ins and outs of the geocaching world, place geocache and find some. This will be at least two meetings that will last 3-4 hours. Members will get to improve their team working skills, learn about GPS and learn the thrill of the hunt! Primary members welcome.

Service Learning– Members will have to opportunity to coordinate a county wide community service project. We would like a minimum of one member from each club to take information back and coordinate at their local club level. This will also count as community service activities for your record book.

Natural Resource Day Camp– Project credit will be given this year at the Natural Resource Day Camp. Your six hours will be completed exploring the habitat at Ash Creek near Bieber. Partnership agencies will teach you about wetlands, riparian areas, birding, fishing, geocaching and water conservancy. Oct 12th.

Rocketry– A county wide Rocketry project will teach members the basics of aeronautics and rocketry. Members will build water pressure powered rockets, hold a flying contest, present at the school and then teach a rocketry lesson to a grade school class or after school program.

Health Science– Modoc Medical Center is pairing up with 4-H. Members will be able to have a hands on learning environment about areas of interest in the hospital including; physical therapy, nursing, senior living, surgery, ambulance and emergency services. This project is encouraged for 6th grade and up.

Veterinary Science– Modoc Veterinary Center has been working with members for years and showing members the veterinary science world. Members get a first hand look at animal husbandry, surgical practices, Artificial Insemination, Xrays & Lab work and much more. This project is encouraged for 4th grade and up.

Cloverbud Fun– Primary members (ages 5-8) can join this county group where the kids will learn about 4-H, do arts & Crafts, go on field trips, learn about science and get to hang out with other primary members! This group will meet every other month for an activity throughout the 4-H year.

4-H Yearbook– Members will create a county wide 4-H yearbook, learning about photography, layouts and the art of reporting. All Club reporters are encouraged to join this group. Meetings will take place 2 times per year, most work would be done on member's own time.

4-H Livestock Judging– Members will learn and compete at events throughout Northern CA and Oregon. Members will gain knowledge of all species and learn the ins and outs of the judging world. There will be a team for Primary, Intermediate and Seniors.

4-H Mule Tales Newsletter

The MuleTales newsletter provides your family with important information about the 4-H Youth Development Program. Each bimonthly issue provides information about meetings, events, activities and due dates. We mail one copy to each 4-H family who has one or more member enrolled in 4-H. Please share your newsletter with others in your home.

We encourage clubs and individuals to submit articles and photos. All information must be received in the 4-H Office by the 3rd Monday of each month. The best way to submit information is to email it to: **hhadwick@ucanr.edu**

For more information check out the Modoc 4-H Webpage at **http://cemodoc.ucdavis.edu**.
