**Fantastic Field Day Entertainment**

FEB 6. The committee is responsible for planning a session for Fantastic Field Day to be held in February, 2016. This session is based on Entertainment and needs to be 12-15 minutes in length and focused on 4-H aged members (9-19). Typically, the committee will choose to teach/play two games and two songs with their group. Field Day sessions rotate, so committee should be prepared for a minimum of six sessions/rotations and approximately 150 youth members. Last year the committee met twice to plan, purchased materials (to be reimbursed by the club) and had to commit to being at Field Day from 8 AM – 2 PM. Budget for supplies is \$40.00.
