# Member Interviews

This month I interviewed Carly Vorwerck about some questions related to her YOUth Council. Carly has been in our club for 7 years and is a sophomore at Salinas High. Here are the questions and her responses.

Q: What is YOUth council?

A: YOUth Council is a team of 4H members that act as a youth voice for our leaders council. We represent Monterey County 4H by planning, promoting, and advocating for our 4H program.

Q: What is your favorite part of YOUth Council? Why?

A: My favorite part of youth council is getting to work with other people around our county, and being able to form great friendships with others.

Q: Why would you recommend YOUth council to other members?

A: I would recommend Youth Council to others because you gain so many skills and advance in several ways just in a year. I have had the opportunity to grow my public speaking skills and leadership skills just from one county event!

Q: How do you get involved with YOUth council?

A: You can get signed up for Youth Council through the county website. Go to the youth council section and there is an application!
