

JOIN THE CLUB

Welcome to the University of California Youth Development Program known as 4-H. When selecting a 4-H club to join, consider the following:

- Geography: Does the club meet in a location that is easy for you to get to?
- Schedule: Does the club meet on a day and time that is convenient for you?
- Size: Do you like working in large or small groups?
- Friends: Do you know someone already in 4-H- a friend, neighbor or teacher?
- Interest: Make sure the club offers the projects you are interested in.
- Review the club's bylaws or club rules for a better understanding.
- Visits: Contact a few club leaders and attend a few meetings to pick the club that works best for you!
