Measuring and Mapping Soil Salinity, Jennifer King, UCSB

BARD – Pollination and avocado Pollinators, Cohen/Williams/Frankie

Avocado Rootstock/Variety interactions, Arpaia

High Density GEM Planting , Hung Doan

Pomegranate Nitrogen Needs, Laruen Garner, CAL POLY SLO

## Care of Fire or Frost Damaged Trees

Recent and recurring fires are a problem where both citrus and avocado are grown in California. The winter forecast is out from NOAA and it looks like there might be frost in our future. What do you do if it hits your trees?...
