

Ventura County Natural Resources & Regional Emerging Tree Pests

Julie Clark, CES

+

Overview & Collaboration

- + Scores of local & regional partners, communities served. Includes academia, governance, NGOs, & private partners.
- + Primary partners: UC ANR programs, Ventura County, CAL FIRE, UC Riverside, USDA/Forest Service – Forest Health Protection.

Challenges

Efforts to Address Challenges

- 1. Increasing collaboration through educating & mentoring new or established partnerships.***
- 2. Incorporating trained participatory scientists with community messaging & data collection.***

Condition Changes, Results, Outcomes
