

UC Master Gardeners of Napa County Water Management Resources 2014

This document has been prepared to provide Napa County Master Gardeners and residents a comprehensive guide to assist in water management and conservation, whether dependent on water from municipalities, districts or from groundwater wells. These resources and links provide information for water conservation in your home, landscape and garden.

[Managing Irrigation in Fruit and Nut Trees During Drought](#)
[Keeping Plantings Alive under Drought or Water Restrictions](#)
[Landscape Water Management](#)
[Water Conservation Suggestions - Home Vegetable Garden](#)
[Water Conservation Checklist - Garden & Landscape](#)
[Drought Management - UC Davis](#)

<http://ucanr.edu/sites/scmg/>

[Drought Management Guidelines](#) is the master document and addresses all aspects of gardening with lower water
[Food Gardening with Less Water](#) how to be water-wise and successful growing a food garden during a drought.
[Drought Resistant Crops](#) lists edible varieties that require less water than normal.

http://arboretum.ucdavis.edu/arboretum_all_stars.aspx

The horticultural staff of the UC Davis Arboretum have identified 100 tough, reliable plants that have been tested in the Arboretum, are easy to grow, **don't need a lot of water**, have few problems with pests or diseases, and have outstanding qualities in the garden. Many of them are California native plants and support native birds and insects. Most All-Star plants can be successfully planted and grown throughout California.

CITY of NAPA

http://www.cityofnapa.org/index.php?option=com_content&view=article&id=228&Itemid=314

City of Napa water customers are entitled to an array of free conservation devices and literature.

http://www.cityofnapa.org/index.php?option=com_content&view=article&id=228&Itemid=314#Devices

Residential Programs Our incentive programs can help:

- [Water-Wise Home Survey](#)
- [Toilet Replacement](#)
- [Clothes Washer Rebate](#)
- [Sprinkler Times Scheduling Tool](#)
- ["Cash For Grass" Turf Replacement Rebate](#)
- http://www.cityofnapa.org/index.php?option=com_content&task=view&id=1121&Itemid=782

Napa is offering water customers an incentive to replace their thirsty lawns with water-efficient landscaping. \$1.00/square foot.
