Countywide Project List

Countywide projects are hosted by a specific 4-H Club but are open to all 4-H members, regardless of their primary 4-H Club (size limits may apply). To sign up for a Countywide Project please enroll in your primary club and choose your projects. Next add the hosting club (unit) to your enrollment and add the countywide project/s.
If you have any questions or need help adding the project please email yolo4h@ucanr.edu.
